Hi

We are a new shop in Dartmouth that specialises in Expedition Quality Clothing and Equipment for the Maritime and Upland environments.

We are approaching all clubs, emergency services, youth organisations etc in the local area and offering a 10% discount on all items (unless marked up as sale items).

The only thing we ask as a control measure is that some proof of membership etc is presented at the time of purchase.

We are very pleased to be suppliers of the following brands

- Gregory Packs
- Ortlieb
- Exped
- Lyon Equipment
- Petzl
- Rooster Sailing
- Light My Fire
- Teko
- Zamberlan
- Julbo
- Summit
- Chillaz
- Optimus
- GSI Out

Over the next few weeks our stock will be increasing in variety and we welcome all feedback so we can provide you with what you want.

Kind regards,
Chris Craven
