### **Membership Secretary**

Rachelle has proposed a number of member management systems. They will integrate various systems for the club including session booking, event bookings etc. Meetings and discussions between the club stakeholders will be held to ensure that any solution supports all club requirements.

### **Club Manager**

The club has engaged a company to refurbish the bar area. They will complete all work as a single contractor. Nic will provide more details on this as they become available.

Nic explained that our rates for hiring the club need revising going forward as we are too cheap currently.

Our shower tokens are being purchased as we are cheaper than other clubs, but as our tokens are generic we are purchasing them and they being taken away for use at other clubs. The committee agreed to increase the cost of a shower to £2.50 immediately.

The music offering is slowly going to alter and change to avoid over saturation of any one particular performer.

## **RC Paddlesports**

It was discussed about the current code system in use - it will remain as it prevents misuse of the equipment

Karen will begin advertising for the RC Paddlesports role for the AGM in January.

## **5. AOB**

None

## **6. Date of Next Meeting**

Tuesday 4th November 18:00 Dartmouth Yacht Club
